

# FRENCH LANGUAGE ACADEMICS

## ACADEMIC FRENCH

This course is planned for people in VI, VIII and who wish to boost their French composing skills with a specific end goal to acquire better evaluations in their secondary school courses and to plan themselves for International Level.

The attention will for the most part be on perusing and composing, with numerous exercises to enhance spelling, language structure, and sentence structure. Understudies will be required to compose book reports and keep a diary.

This is not a tenderfoot level French course.

Our French language classes for Kids & Teens are taught in an age-appropriate setting with plenty of fun, educational activities to help young learners immerse naturally in the language. With only 5 to 8 students per class our instructors provide students conversational and contextual learning through stories, games, songs, and age appropriate activities.
