

# LEARN FRENCH & FIT INTO FRENCH CULTURE

## Are you ready to embark on a journey of language and cultural discovery?

Our junior level courses in French are designed to introduce you to language and culture in a fun and interactive way to the basics of French language in an immersive and an interactive environment. Our programme also enhances learning for those children studying French in school thereby boosting their overall confidence, motivation & class performance.

This course prepares children for the DELF Junior Exam, an official language certification granted by the French Ministry of Education as an official recognition of their level of Fluency in French.

Whether you're a beginner or have some prior knowledge, this course is perfect for children to embark on the journey of learning French at a very young age.

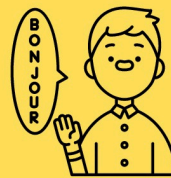

## WHAT YOU'LL LEARN

Introduction to Greetings

French culture and customs

Common French phrases and expressions

Basic French grammar and vocabulary

Describing certain situations and topics.

## COURSE HIGHLIGHTS

- Small class sizes for personalized attention
- Experienced and friendly French teachers
- Engaging activities and real-life examples
- We shall focus on all 4 competencies: **speaking, listening, reading and writing.**

### Overall performance

Providing an assessment of the student's readiness for the official exam.

### Internal tests are designed to simulate the actual exam conditions, helping students

Get familiar with the exam format: Understand the types of questions, time limits, and overall structure. Assess their knowledge and skills: Identify areas where they need to improve

### Feedback is an essential part of the learning process
