## GERMAN COURSE FOR CHILDREN AGE (4-18)

The Language Skool offers Premium learning German Language Courses for children of the age group 4-18 year. We help children learn & speak foreign languages in many exciting ways. Learning German with pictures and games, make the language learning process considerably easier and enjoyable.

This is an amazing fact to know that children are immersed to learn new languages and words without taking any pressure and make learning as a playful experimentation. The Language Skool uses innovative and creative approaches to meet the requirements that are necessary in the sequence of learning a new language. Our way of teaching helps in developing the habit of learning new words and phrases like they are interesting to acquire knowledge for our mother tongue. Our teachers gradually build up the enthusiasm and they intuitively start forming sentences & phrases by appropriately using German grammar.

The best part for children to learn German is that their base for English will also get stronger from a younger age. Most of the roots of English vocabulary are from German dialect. This is one of the main reasons to be concerned is that learning German
