TLS STORIES

I'm Shanti. I passed the NAT 5Q exam held on February 19, 2023, with a score of 139 out of 180. That's a great score, considering I'm juggling cooking, chores, and taking care of my granddaughter. A big thanks to Kushi Sensei! Listening was the most challenging part for me, but she helped me realize that continuous and repeated practice makes perfect. I like her very much and truly appreciate her support.
